BS EN ISO 4126-1:2013 + A2:2019

&

THE PRESSURE EQUIPMENT DIRECTIVE 2014/68/EU & the P(E)SR

This information sheet is intended to be supplemental to any previously issued Declaration of Conformity and contains further information in line with the requirements of BS EN ISO 4126-1:2013 +A2:2019

- ***Name and address of Manufacturer within the UK & European Union***

Midland Diving Equipment Ltd
57 Sparkenhoe Street
Leicester
LE2 0TD, United Kingdom

- ***Description of Pressure Equipment***

MDE Series 35 Safety Valve **Part No: H013670 & Part No: H013600**
MDE Series 60 Safety Valve **Part No: H013665 & Part No: H013675**

- ***Allowable Pressure & Temperature Range***

H013670 & H013600 – 138 Bar Min – 276 Bar Max
H013665 & H013675 – 276 Bar Min – 414 Bar Max
All Models -30°C - +50°C

- ***References of Harmonised Standards applied***

BS EN ISO 4126-1:2013 + A2:2019

- ***Technical Data***

Inlet Size Designation	DN3
Material of Body	CW614N
Harmonised Standard	ISO4126-1:2013
Flow Area	7.917mm ²
Certified De-Rated Coefficient of Discharge	Gas
Minimum Lift (Series 35)	2.87mm
Minimum Lift (Series 60)	1.40mm
Overpressure	7.5%
